

People are saying:

“That day you changed lives...”

“Loved the energy and direct coaching...”

“Very challenging. You got me out of my comfort zone. Thank you for that!”

Amy brings with her over 30 years of personal experience and education. Fourteen of those years were spent working in psychiatric, managed care and educational facilities before becoming a coach, trainer, speaker and author. Her understanding of the human psyche is extensive.

She coaches clients to become more dynamic, powerful and persuasive communicators.

Her extensive client list includes blue chip multi-national software and IT companies, world-wide manufacturers of household-name brands, international shipping and communications companies, leading humanitarian organisations, schools and universities.

“Amy, you were superb in engaging the participants, honoring where they were, and shifting them to a more positive place. I hope that you appreciate how powerful you are...” - Anna Stubs, Program Participant

“In 10 or 15 years I’m sure that I will still remember many of the key learnings and tools I took from our sessions...” - Andréa Li-Sai Chimento, Microsoft

“Thank you for a great course. How you run this with the enthusiasm, competence and structure as well as you do - one only knows; everyone really appreciated it. You should be safe in the knowledge you have definitely made a difference here.” - Jackie Cork, Product Manager, IT
